### Informed Consent Form for IRB-FY2020-4100 for Remote Testing

You are invited to take part in an academic survey named **Beauty and Value**. The survey is designed to learn more about how we perceive things in our everyday life. The research is being conducted by Professor Denis Pelli who is the principal investigator, as part of faculty research, and by Maria Pombo as part of her training.

If you agree to be in this study, you may be asked to: read, perceive, and/or make judgments about various things such as paintings or music. Your participation will take about 60 minutes. You will be paid \$15 per hour for completing the online survey; if you withdraw before the end of the study, no payment will be given.

There are no known risks associated with your participation in this research beyond those of everyday life. Although you will receive no direct benefits for participation in this study, it may make you more aware of how knowledge is discovered in psychology and help the investigator better understand the nature of sensory perception.

Confidentiality of your research records will be strictly maintained by assigning your data an arbitrary letter code in any publications. The de-identified data from the study will be kept at least 5 years after publication, as recommended by the American Psychological Association. De-identified data may also be posted online when research results are published. This research is covered by a Certificate of Confidentiality from the National Institutes of Health. Researchers with this Certificate will not disclose or use information that may identify you in any federal, state, or local civil, criminal, administrative, legislative, or other action, suit, or proceeding, even if there is a court subpoena. Exceptions include: 1) A federal, state, or local law requires disclosure 2) Your explicit approval for the researchers to release your name and/or personally identifiable information.

If there is anything about the study or taking part in it that is unclear or that you do not understand, or if you have questions or wish to report a research-related problem, you may contact the principal investigator, Professor Pelli at (646) 258-7524, [denis.pelli@nyu.edu](mailto:denis.pelli@nyu.edu), 6 Washington Place, Room 279, New York, NY 10003, Maria Pombo at [mp5561@nyu.edu](mailto:mp5561@nyu.edu), Jan Kurzawski at [jk7127@nyu.edu](mailto:jk7127@nyu.edu), or the lab manager Ashley Feng at [acf500@nyu.edu](mailto:acf500@nyu.edu). For questions about your rights as a research participant, you may contact the Institutional Review Board (IRB), New York University, 665 Broadway, Suite 804, New York, New York, 10012 at (212) 998-4808 or [ask.humansubjects@nyu.edu](mailto:ask.humansubjects@nyu.edu).
